Process

- **Step 1**: Create an account in the DLA Account Management and Provisioning System (AMPS).
 - AMPS is a web-based account management system that provides system users with an automated tool for requesting user accounts and passwords for DLA systems. Once your AMPS account has been successfully created, you will be notified via email.
- **Step 2**: Submit a role request via AMPS.
 - After creating your AMPS account, you will need to submit a role request which specifies the application. You will be notified via email once your role request has been completed.
- **Step 3**: Complete the registration.
 - On 27 Aug, you will be able to log into the DLA Enterprise External Business Portal. You will be prompted to complete a required Customer registration form when you log into RTD & ETID.

Important AMPS Application Notes

Before you begin the AMPS Request Process, note the following important details of the AMPS Application:

- 1. After selecting buttons or items from drop down menus, the page will refresh. You must wait for the page to refresh before moving on to the next step.**
- 2. Do NOT use the Back button on your browser. If you need to correct something on a previous page, click the 'Back' button on the bottom of the page.**
- 3. Make sure to fill out all of the required fields marked with an asterisk (*).**
The application will not notify you of errors until the last page.
- 4. When entering dates, use the calendar button  to ensure the correct format.**
- 5. If the desired radio button is already selected, click  it again before clicking the 'Next' button**
- 6. If you experience problems or have questions, contact the AMPS Helpdesk at DSN 695-4357 or at the toll free # 1-866-335-4357.**

AMPS Request - Login

1. Go to the AMPS URL: <https://amps.dla.mil>. There is also a link on the DLA Enterprise External Portal that will bring you to the AMPS Login Page.
2. Select “First Time in AMPS”.

AMPS Request - Login

1. This screen shot shows what will happen after you select First Time in AMPS. Click “OK” after reading the “Use and Consent” Statement.

The screenshot shows a web browser window titled "Identity Manager -- Webpage Dialog". The page header features the Defense Logistics Agency logo and the text "Defense Logistics Agency Account Management and Provisioning System (AMPS)". The main content is a "U.S. Government (USG) Information System (IS) - Use and Consent" statement. The text reads: "You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only. By using this IS (which includes any device attached to this IS), you consent to the following conditions: -The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations. -At any time, the USG may inspect and seize data stored on this IS. -Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose. -This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy. -Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communication and work product are private and confidential. See User Agreement for details." At the bottom left of the dialog, there is a red-bordered "OK" button.

U.S. Government (USG) Information System (IS) - Use and Consent

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communication and work product are private and confidential. See User Agreement for details.

AMPS First Time User

1. Select “Public” if you do not work for the Federal Government.

AMPS First Time User Access

If you have a DoD issued Common Access Card (CAC):

You must have your CAC inserted in your computer if you want AMPS to register your CAC. This will allow you to access AMPS without having to enter a username and password. In addition, your CAC information will be provisioned to applications that are CAC enabled and you will not need a username/password to access these.

Attention DLA Employees or Contractors:

This process is for **Non-DLA** users only. If you are a DLA employee or Contractor DO NOT continue with this registration. Your account in AMPS should have automatically been created when you joined DLA. If you reached the AMPS login screen it means that there is a problem with your DLA account or the computer that you are using to access AMPS. Ensure that you are accessing AMPS from the DLA network with your CAC. If the problem persists, contact the Help Desk at the number listed below.

Select Your User Type:

User Type	Description
<input type="button" value="Federal Agency User/Contractor"/>	Select this if you are a member of the Armed Services, a DoD civilian employee, a DoD contractor, or a member of a Federal Agency. You will need to provide information about yourself as well as your supervisor and local security officer as required by DD Form 2875.
<input type="button" value="Supplier/Vendor"/>	Click this button if you are a Supplier/Vendor with a Commercial and Government Entity (CAGE) code. A Supplier/Vendor is a person that works for a company or corporation that supplies items/parts to DLA. Supplier/Vendors are subject to a less stringent approval process
<input type="button" value="Public"/>	Click this button if you are a user desiring to register for an account with DLA to gain access to DLA applications available to the general public. You will be required to provide a few facts about you and your organization to register and request access to DLA applications.

Please contact the help desk at (804)279-4357 or 1(866)335-4357 if you have any questions concerning the use of this System.

Process

- **Step 1: Create an account in the DLA Account Management and Provisioning System (AMPS).**
 - **AMPS is a web-based account management system that provides system users with an automated tool for requesting user accounts and passwords for DLA systems.. Once your AMPS account has been successfully created, you will be notified via email.**
- **Step 2: Submit a role request via AMPS.**
 - **After creating your AMPS account, you will need to submit a role request which specifies the application. You will be notified via email once your role request has been completed.**
- **Step 3: Complete the registration.**
 - On **27 Aug**, you will be able to log into the DLA Enterprise External Business Portal. You will be prompted to complete a required customer registration form when you log into RTD & ETID.

Accessing the DLA Enterprise External Portal

1. Go to the DLA Enterprise External Business Portal at <https://business.dla.mil>
2. Click on “Registered Users Login Here”
3. Select a **certificate**, click ‘OK’ and enter your PIN if prompted. Both your email & Non-email CAC certificates will work.
4. You will only see the applications you have been granted access to.

DLA DISPOSITION SERVICES

Welcome to the DLA Disposition Services Information Page

This information page allows the military services, federal government and state/local governments to use web-based applications to search our inventory for reuse and transfer of items, or the general public to participate in our sales program or bid on contracts to provided services. Military service members can also use these applications to turn in useable or scrap property or obtain environmental/hazardous disposal guidance.

CREATE AN ACCOUNT TO ACCESS THE FOLLOWING:

You must create an account to access the applications listed below. Please read and follow these step-by-step [instructions](#) and then create an account by clicking [here](#). Account approval time varies.

- Electronic Turn-In Document (ETID): Submit, update, and review documents required for turning in property and scrap from the military services
- Reutilization, Transfer, Donation (RTD): Access our inventory of property available to military, federal, state and local agencies, and qualified organizations
- Reports: Access DLA Disposition Services Customer Reports.

CLICK THE LINKS BELOW FOR INFORMATION ON THE FOLLOWING:

[Sales](#): to access property available for sale to the general public
[Hazardous Waste Contracts](#): for information about disposing of hazardous property or bidding on contracts for hazardous waste removal
[Scheduler](#): request an appointment to bring scrap or usable property to a nearby DLA Disposition Services Field Office

Not familiar with our services? Please visit our [website](#) for more information about our disposal solutions and property available.

U. S. Government (USG) Information System (IS) - Use and Consent

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communication and work product are private and confidential. See User Agreement for details.
