## INSTRUCTIONS: AMBER FLASHING OR REVOLVING LIGHT PERMIT APPLICATION

The instructions and guidelines listed herein are provided for the benefit of persons and entities completing the Department of Public Safety's "Amber Flashing or Revolving Light Permit Application." The authorized use of and application for amber flashing or revolving lights is governed by O.C.G.A. §§ 40-8-90 through 40-8-96 and Georgia Department of Public Safety Rules and Regulations 570-11-.01 through 570-11-.14.

### *Guidelines for Completing the Application*

- The application responses should be printed or typed.
- The application must be filled out completely, including:
  - Full name and address of the agency, company, or individual submitting the application;
  - Year, make, tag number, and VIN of all vehicles for which the applicant seeks a permit;
  - Payment information and payment of \$2.00 per vehicle (more information below); and
  - A statement of use:
    - If **all** of the applicant's vehicles will be used for the same purpose(s), check the applicable purpose(s) on the application
    - Otherwise, check **all** purpose(s) for which **any** of the applicant's vehicles will be used on the application and include a separate statement detailing the purpose(s) for which each individual vehicle will be used.
- Payment must be included in the amount of \$2.00 per vehicle in the form of money order, cashier's check, or business check. No personal checks will be accepted. **Government-owned vehicles are exempt from this requirement.**
- Applicants seeking a permit or permits for security purposes must submit a copy of their security license issued by the Georgia Secretary of State's office.

### *Guidelines for Submitting the Application*

- Applications are **not** accepted in person; applications must be mailed to the address indicated on the top of the application.
- Applications are generally approved or denied within two weeks of receipt by the Department.

### *Additional Information*

- **Applicants are required to make and retain a copy of their completed application to use as a temporary permit until (1) their application is approved and their permit(s) received; or (2) their application is denied. If an applicant's application is denied, a retained application cannot be used as a temporary permit and is void for that purpose.**
- Permits should be placed on the bottom passenger side corner of the front windshield of the vehicle for which the permit was obtained.
