(Law Enforcement Agency name)  
**MEMORANDUM OF AGREEMENT**

**PURPOSE:**

The purpose of this document is to set forth the terms and conditions which will be binding on the parties with respect to excess Department of Defense (DOD) personal property which is transferred pursuant to 10 U.S.C. §2576a and to promote the efficient and expeditious transfer of the property.

**AUTHORITY:**

The Secretary of Defense is authorized by 10 USC § 2576a to transfer to Federal and State Agencies, personal property that is excess to the needs of the DOD and that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with emphasis on counter-drug/counter-terrorism activities, under such terms prescribed by the Secretary. The authorities granted to the Secretary of Defense have been delegated to the DLA in determining whether property is suitable for use by agencies in law enforcement activities. DLA defines law enforcement activities as activities performed by government agencies whose primary function is the enforcement of applicable Federal, State, and local laws and whose compensated law enforcement officers have powers of arrest and apprehension.

**STAFFING AND FACILITIES:**

**TERMS AND CONDITIONS:**

- **Law Enforcement Agency (LEA) Eligibility Criteria:** Must be a “law enforcement activity” whose primary function is enforcement of applicable Federal, State and local laws as defined by the DLA regulation (this is referring to DLA Directive (DLAD) 4160.10 which will be superseded by the One Book) and whose compensated officers have powers of arrest and apprehension.
- **How to enroll in the State 1033 Program:** LEA must request enrollment from the Georgia State Coordinator (Excess Property Office). LEAs must provide a completed data sheet and Memorandum of Agreement (MOA) to the Georgia State Coordinator (Excess Property Office). If the enrollment request is approved by the State Coordinator, it will be forwarded to the LESO. If approved by LESO, the State Coordinator will be contacted and provided with a LEA screener’s authorization memo (Authorization Letter for Property Screening and Receiving). As soon as an agency is properly enrolled, materials may be screened manually at a DLA Disposition Services:

however, the State Coordinator must provide the LEA with their LEA identification (ID) number so they may screen and request materials using automation.

- **LEA Screener Criteria:** Must be full-time and/or part-time, sworn and/or non-sworn officers assigned to the LEA performing this duty. LEAs are allowed a maximum of four (4) screeners per agency. A maximum of two (2) of the authorized screeners may physically screen at any DLA Disposition Services at one time.
- **Identification/Acquisition/Transportation of Property:** LEAs find needed property electronically through the DLA Disposition Services website: [www.drms.dla.mil](http://www.drms.dla.mil) or by physically visiting the nearest DLA Disposition Services. Once property has been identified, LEAs submit a manual or electronic DRMS Form 103 to the State Coordinator. The State Coordinator approves/disapproves the request. If approved, it is sent to the LESO. If approved it goes to Military Standard Requisitioning and Issue Procedures (MILSTRIP) or a manual DD Form 1348 is sent to the State Coordinator. It is the responsibility of the State/LEA to transport requested property from the DLA Disposition Services to their location. DLA will not fund the transportation cost.
- **Storage of Property:** Unless the State is authorized as a distribution center, it will be the gaining LEA responsibility to store property received through the 1033 Program. Distribution centers should only hold property for their specific customers not more than 90 days. After that date, disposition should be requested, in writing, from the LESO, via their State Coordinator. Georgia does not have a distribution center.
- **Distribution of Property:** LESO will approve property request in the following priority: counterdrug/counterterrorism and then any other law enforcement activities.
- **Security of Property:** It is the responsibility of the gaining State/LEA to safeguard all property received through the 1033 Program. Should any property become lost due to theft, destruction or unauthorized sale/disposal, this information must be forwarded to the State Coordinator within seven (7) working days after the incident, if the property has a Demilitarization code of C, D, E, F, or G it must be reported within 24 hrs. The State Coordinator will contact the LESO for additional guidance.
- **Accountability of Property:** Each LEA and the State must maintain records for all property acquired through the 1033 Program. These records must provide an “audit trail” for individual items of property from receipt to distribution. These documents include but are not limited to the following: DRMS Form 103 with all justifications or printouts of automated requests, DD Form 1348 (receipt and turn-in), all disposal and transfer paperwork, approved Bureau of Alcohol, Tobacco and Firearms (ATF) Form 10s, Certificate of Aircraft Registration (AC Form 8050-3), Aircraft Registration Application (AC-Form 8050-1), and any pertinent paperwork through the LESO. The records maintained must also satisfy any and all pertinent requirements under its applicable State statutes and regulations for the program and this property.

- **Establish Inactive File:** As of October 1, 2003, the LESO will institute a five (5) year file retention policy. This policy will state that LESO will maintain active files for two (2) years and inactive files for three (3) years. After five years, the files are destroyed with the exception of DEMIL code B through Q, sensitive items and \$20,000 or more high dollar items.
- **Utilization of Property:** Property received through the 1033 Program must be placed into use within one (1) year of receipt and utilized for a minimum of one (1) year, unless the condition renders it unusable. If property is not placed in use within one (1) year of receipt, it must be transferred to another authorized agency, or returned to a DRMO. Property returns/turn-ins must be coordinated through the applicable State Coordinator and LESO.
- **Transfer of Property:** LEAs must coordinate, in writing, transfer of 1033 property through the Georgia State Coordinator. The State Coordinator will request final approval from the LESO. Property may be transferred within the State or between States as long as it is properly coordinated with the State Coordinator and LESO. If approved a “LESO transfer approval memo” will be sent to the State Coordinator. For more information regarding these items, view the following links:

- **Disposal of Property:** LEAs must request approval, in writing, from their State Coordinator before any 1033 property is disposed. The State Coordinator will request final approval from the LESO. If approved a “LESO disposal approval memo” will be sent to the State Coordinator. Only DEMIL codes A, and DEMIL Code Q with an Integrity Code of 6 may be approved for disposal. Items with DEMIL codes of C, B,D, E, F, G and all DEMIL Code Q with Integrity code of 3 must be transferred to an authorized agency or must be returned to a DRMO when no longer needed. Costs incurred for transfers, disposals or turn-ins will be borne by the State/LEA.
  - **DEMIL code A:** Does not require demilitarization and the LEA may dispose of the property after one year of possession.
  - **DEMIL code Q with Integrity code of 6:** *Will be treated like a Demil Code of A.* Does not require demilitarization and the LEA may dispose of the property after one year of possession.
  - **DEMIL codes C, B, D, E, F, G and all DEMIL Code Q with Integrity code of 3** are require demilitarization and must be returned to a DRMO. The State Coordinator must obtain the LESOs approval for equipment returns.

- LESO will provide turn-in documentation (DD Form 1348-1A). With few exceptions, the State/LEA will be asked to coordinate the turn-in with a local DRMO. The State/LEA informs LESO which DRMO has agreed to accept the turn-in. LESO will then provide turn-in documentation to the accepting DRMO. Upon receipt of the turn-in documentation, the LEA must return the property to the specified DLA Disposition Services. The DLA Disposition Services personnel receiving the materials will sign the turn-in document and give the LEA a copy of the signed receipt paperwork. This receipt paperwork must be maintained in the LEA's files and a copy of the receipt must be forwarded to the State Coordinator for their files. (See DOD 4160.21-M, Defense Material Disposition Manual; DOD 4160.21-M-1, Defense Demilitarization Manual; DRMS-I 4160.14, Volume VII for DEMIL rules).
